THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (DR. SHAKEEL AHMAD):

Reply pertaining to department of Telecommunications

(a) and (b) The telecom development work in the Telecom Circles are planned on yearly basis and efforts are made to execute the same to achieve the targets. The details of targets and achievements during the Five Year Plan with effect from 2002-03 to 2004-05 are given in Statement-I (See below).

Reply pertaining to Department of Posts

(a) and (b) Under the 10th Five Year Plan, the focus is on upgrading the physical network through computerisation, induction of technology and modernisation of post offices and postal operations throughout the country, including Tamil Nadu. Expansiorrof the postal network, training of employees etc. are also being taken up to improve access to postal facilities and provide more efficient service. By the end of the 10th Plan, all Head Post Offices and almost all Departmental Post Offices in the country having more than 2 hands are targeted to be computerised and value added services like e-post provided through them, Computerisation of Registration Centres of mail offices, booking and delivery of Speed Post, Circle Stamp Depots, Foreign Post Offices, etc. is also targeted for the same period. Similarly, Post Offices, important mail offices and Speed Post centres are being modernised in a phased manner each year and computerised customer care centres and workplace training centres have been set up in different circles including Tamil Nadu.

Circle-wise targets for each plan activity are decided annually based on plan resources allocated to the Department and parameters/criteria approved for each scheme. Details of achievements under some important plan schemes till date in Tamil Nadli Circle are given in Statoment-ll.
